- Healthcare Provider and Insurance Information
- Credit Card

Please print your forms at the end of your online registration. Please bring them to your first practice.

Questions: Please contact Matt Carbone, CYO Basketball Commissioner
matthewcarbone@aol.com.

Frequently Asked Questions (FAQs)

Who will be child's coach?

We will not know until registration is complete. The number of registered players will determine how many teams we will have for a certain grade. Volunteer coaches are then identified and players are assigned.

When will be my child's practice slot?

Practice slots are assigned in mid-late October after the coaches meeting is held. Teams will communicate with their players shortly thereafter. Practices will begin in late October/early November.

When are games held?

Games are held on Saturday's and Sunday afternoons. The season runs from December until early March.

Do I need to purchase a uniform if I have one from last year?

Yes, it is part of your registration fee.

Can I request a specific jersey number for my child?

No. Uniforms take 4-8 weeks to be ordered and delivered. We will do our best to honor a request, but there is no guarantee.

Can I try on a uniform?

We do not carry an inventory of extra uniforms. If you have a friend who played last year, that may be your best solution. The main feedback last year was that the jersey's were true to size and the short sizes were slightly big for the girls.

Do I need to purchase a basketball?

We encourage children to bring a basketball to practice if possible. The sizes are:

- Boys 4th and 5th Grade: 28.5"
- All Girls: 28.5"
- Boys 6th - 8th Grade: 29.5"

How can you help?

There are many ways to support the CYO Basketball Program

- Make a donation at the end of registration to the Gymnasium Improvement Fund
- Volunteer to be a coach or an assistant coach.
- Volunteer on the day of the game to be a scorekeeper.
