

## In It Together Annual Fund Campaign 2021-2022

Dear St. Luke Families,

November and the holiday season are upon us, and it's truly the start of the most wonderful time of the year. Our halls will soon be filled with the kind of laughter, excitement and joy that only the holiday season can bring. I love this time of year at St. Luke School - for so many cherished reasons.

This time of year also marks the launch of our 2021 Annual Fund Campaign, appropriately themed, **In It Together**. This two-week, parent focused campaign begins today and will run through November 14, the start of "Discover Catholic Schools Week".

The Annual Fund campaign is one of our most important calls to action each year. Our goal is to raise **\$100,000**, with **100% family participation**.

We are cautiously navigating our second school year in the midst of the Covid-19 pandemic. What seemed like an unprecedented year last year, full of uncertainties and unknowns, is turning out to be equally matched this year as we face new and continued challenges in bringing back a sense of normalcy for our students. We are **In It Together**, though--our faculty and staff have remained steadfast and committed to the safety of our children and learning environment, our students are engaged, dynamic and bring joy to learning every day. We rely on our parent community for solidarity and strength.

The funds we raise during our 2021 Annual Fund will provide critical operational support that bridges the gap between the actual cost of educating each student and what we charge in tuition. These funds enable continued sustainable operating budgets. Additionally, any funds raised above the goal will allow for support and investment in facilities, technology, safety, and importantly bringing our faculty compensation packages more in line with Fairfax County teachers.

Last year, we experienced profound generosity from our parent community and raised a record-breaking \$135,000. The success of last year's unmatched generosity makes this year's campaign, and your donation, more important than ever. I feel confident that we will exceed our \$100,000 goal if we are **In It Together**.

Let's show our students, faculty, and all who give to our school just how much we care as a community of faith! Please join me, our Annual Fund Committee, and our PTO in the 2021-2022 **#InItTogether** Annual Fund Campaign!

Yours in Christ,  
Tanya
